HEAD COACH JOHN BLUEM

Since taking over the program in 1997, the Buckeyes have made steady progress toward regional and national recognition under the direction of head coach John Bluem and a dedicated and talented staff.

Bluem, the 2004 and 1999 Big Ten Coach of the Year, has coached three Big Ten Freshmen of the Year, one Big Ten Player of the Year and 38 All-Big Ten Conference players. Eleven of Bluem's former players have been on MLS rosters. Six of his Ohio State players have been MLS draft picks, including two recent third-round selections in Ray Burse, who was the first goalkeeper chosen, to Dallas and defender Kyle Veris to Los Angeles.

"I believe coaches are measured by the players they have developed. In this regard we have selected a curriculum of instruction for the Ohio State Soccer Camp that is designed to help each individual player improve and develop the skills necessary to take their game to the next level."

In addition to our coaches, members of the Ohio State Men's Soccer team serve as instructors at our soccer camps.

2007 OHIO STATE MEN'S SOCCER CAMP

BUCKEYE SPORTS CAMPS

RESIDENTIAL CAMP

July 8-12, 2007

Registration Fee - \$495 (resident), \$450 (commuter)

We are pleased to again offer at Ohio State our ninth annual Residential Camp. The camp is a natural progression from our very popular youth developmental camp, the Junior Buckeye. The Residential Camp is designed for the serious soccer player ages 11-18, and 2007 High School graduates are eligible to attend. The players will be grouped according to their age and abilities. Enrollment will be limited to ensure the best possible environment for quality learning.

The curriculum of instruction for the week will be developed by Ohio State Head Coach John Bluem who holds a US Soccer "A" License, and is a NSCAA Academy Senior National Staff Coach. Along with Coach Bluem the other members of the staff will be licensed coaches. Technical and tactical training sessions will be complemented by full 11v11 matches and small-sided tournaments. Goalkeepers will enjoy the benefit of small group and individual coaching from experienced goalkeeping instructors, as well as the opportunity to test their skills in competitive matches.

Commuter campers are also eligible to attend this camp daily from 9:00 a.m. to 9 p.m. Resident campers will be housed at the University Plaza Hotel. There will be two to three campers per room. All of our staff, including a certified athletic trainer, will also stay at the hotel providing twenty-four hour supervision during the week. A well planned, balanced diet will be served beginning with dinner on Sunday, and concluding with breakfast on Thursday. Day campers receive lunch and dinner daily.

Please join us for a challenging, competitive week of soccer. We will do our very best to help each player improve in all aspects of their game. The Residential Camp includes a camp T-shirt and a player evaluation form.

CAMP PHILOSOPHY

The Ohio State University coaching staff is committed to the growth of quality soccer and individual instruction is our primary focus. Basic education principles are evident throughout our entire program. In soccer education, a player must learn the techniques of the game before they can become an accomplished player. Player development will occur when technical ability, tactical understanding and physical fitness are all trained in a positive, challenging and competitive environment. Our objective is to develop players who will respond to the challenges of the game in a confident and creative manner.
