854 Montrose Ave. Columbus, Ohio 43209 \* Scott Dempsey Director

**WHY** choose the Adidas High School Soccer Team Camps?

***Fantastically affordable**, because the coaches come to you, the camp fee is **only \$115** per player. Register your whole team as a group, and reduce the cost to **only \$99** per player. For group registration, simply fill out your team roster form and you collect the individual payments and medical releases of your teams' players. *Then return the forms and payments to Adidas High School Team Camps by April 16, 2007. It's that easy!**

This camp is a fantastic opportunity for your team to train **together** (within Ohio High School Athletic Association guidelines) before the fall high school season.

This is a great time for your players to be seen by and work with college coaches from every level – from NCAA Division I to NAIA.

Take advantage of the excellent staff by allowing a college coach to direct your team's scrimmages all week, while you save your 10 summer contact days for another time (if you wish).

Gain valuable experience for your team and players through a daily instructional rotation between stations manned by an exceptional staff of college coaches and professionals.

Use the two daily scrimmage sessions (10 total for the week) to improve your team play and preparation.

Use the convenient dates to help get your team ready for any of the summer high school pre-season tournaments held at the end of July.

**WHAT** is the Adidas High School Soccer Team Camp?

In its ninth year, the camp is the premier team camp of its kind in the state of Ohio. Under the direction of camp founder Scott Dempsey, head coach of Bexley High School, the camp has served over 18 teams per summer. By providing high school teams with affordable, professional instruction, hundreds of high school athletes have been exceptionally prepared for their team's high school seasons.

**WHERE** is the Adidas High School Soccer Team Camp located?

The camp is scheduled for the Hilliard Ohio Soccer Association Soccer Complex on Scioto-Darby Rd., just west of Hilliard Darby High School on the west side of Columbus, Ohio.

**WHEN** will the Adidas High School Soccer Team Camps be held?

The girls camp will take place the week of July 16-20, 2007, from 9am – 1pm. Boys (Ohio High School Soccer Team) Camp will take place the week of July 23-27, 2007, from 9am – 1pm.

Coaches are welcome to accompany their teams, or may choose to send their teams without being present. The outstanding coaching staff will train and direct your team for you, even during scrimmages if you wish.

**WHO** directs the Adidas High School Soccer Team Camps?

In its eighth year in central Ohio, Scott Dempsey, head coach of Bexley High School, will serve as the camp's local director and is licensed by both the NSCAA and USSF. Not to be confused with the Ohio South program, this camp is designed by local coaches for the continued success of high school teams. The camp staff consists of a wide variety of college coaches and professionals. College coaches who have committed to work the camp program in

the past include coaches from North Carolina, Indiana, Pennsylvania, Alabama, Florida, Tennessee, and of course from throughout Ohio.

**HOW** does the Adidas High School Soccer Team Camp work?

Group fees are **only \$99** per player; coaches ***MUST*** collect each player's payment in full and their medical release forms, and send them along with the completed roster form and a ***single payment*** directly to the adidas High School Soccer Team Camps.

The individual camp fee is **only \$115** per player - payable to the AHSTC (or Boys to Ohio High School Soccer Team Camp). Individual applications and payments will be sent directly to the High School Soccer Team Camps.

Coaches are asked to register at least 15 players from your program per camp team. Teams of 18 – 22 are ideal. If interest exceeds this amount, adjustments can be made or schools may send more than one team to camp.

For group registration, please complete the team roster form and medical release forms, and enclose a ***\$99 payment*** per player in one total payment – made payable to the adidas High School Soccer Team Camps, by **April 16, 2007**. In the case of a necessary cancellation, a partial refund can be arranged on a case-by-case basis.

For individual registration, please complete the individual registration form and enclose a ***\$50 non-refundable deposit*** per player – made payable to the Adidas High School Soccer Team Camps, by **April 16, 2007**. Adidas High School Soccer Team Camps will then bill each of your players directly for the balance of the camp fee.

If you are planning to send two teams, please use two ( 2 ) separate roster forms. This makes it much easier for all involved in July.

During camp, each team will attend two separate instructional sessions. Each training session will be presented by different instructor and cover different topics. Following the daily instructional sessions will be two 11 v 11 scrimmages (two 25 minute halves per game) held in a round-robin tournament format. Coaches may choose to direct their own teams, or have their teams assigned to one of the camps' college coaches for the entire week.
